

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY WASHINGTON, D.C. 20460

OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

MuckRock **DEPT MR 22268** PO Box 55819 Boston, MA 02205-5819

Attn.: Brian Sparks

Re: FOIA request EPA-HQ-2016-001062

Dear Mr. Sparks:

This letter is in response to your Freedom of Information Act request EPA-HQ-2016-001062, in which you requested information relevant to EPA's partnership with NASCAR.

After a search for the requested information in the records and files of the U.S. Environmental Protection Agency's Office of Pollution Prevention and Toxics, one document was located: Memorandum of Understanding between EPA and NASCAR detailing the partnership.

If you consider this response a denial, you have the right to appeal to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822-T), Washington, DC 20460 (U.S. Postal Service only), FAX: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the U.S. Postal Service may be delivered to the 1200 Pennsylvania Avenue address. If you are submitting your appeal via hand delivery, courier service, or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing and it must be submitted no later than 30 calendar days from the date of this letter. The agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOIA reference number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Any questions regarding this response should be directed to Tracy Williamson at (202) 564-8569 or williamson.tracy@epa.gov. Please cite the FOIA reference number in any future correspondence with the agency concerning your inquiry.

Sincerely,

David Widawsky

Director

Chemistry, Economics, and Sustainable Strategies Division

Office of Pollution Prevention and Toxics
